4. Enter your VDHA Member #
5. Enter your VDHA Password
6. Click on the white button labeled "Log In".
7. If you are successfully Logged In, you will be "Welcomed" by name, on the upper left corner of the page.

Please update your personal information and Biography on the VDHA Website. It will help you to feel more comfortable with the Website and you can always be assured that your information is up to date, without having to request the changes from others. Additional options for you to select,

will be added later as they are developed. Once you have successfully entered the Member Login

Area, simply select what you want to do, and you will be instructed step by step, how to accomplish that task.

=====

Thank you very much for taking the time and making the effort to use the Member Login. I'm sure we will all grow in size and knowledge about our K-9 Brothers, their Dogs, and the Units they served in. Remember, if you have any problems receiving a password, and gaining entry to your Member Login, let me know right away!
